\*\*\*\*Situated on a gentle slope, this expansive 4,485 square meter parcel of land offers a dynamic landscape ideal for various purposes. The terrain gracefully ascends, providing natural drainage and potential for stunning panoramic views of the surrounding area. The land is a mix of open clearings and patches of mature trees, offering both sunlight and shade throughout the day. The gentle incline of the slope makes it perfect for architectural designs that capitalize on elevation changes, such as split-level homes, terraced gardens, or hillside vineyards. The soil quality appears to be fertile, supporting a diverse range of plant life, which could be beneficial for gardening or small-scale farming. Access to the property is convenient, with a well-maintained road leading up to the site. The surrounding neighborhood is peaceful, characterized by large plots and a blend of rustic charm and modern conveniences. This land presents a unique opportunity for those looking to build a bespoke residence, create an eco-friendly retreat, or develop a unique landscape project that harmonizes with the natural contours of the land.\*\*\*\*
