****This expansive 4418 square meter sloping block of land offers a unique blend of natural beauty and serene seclusion. The elevated position of the property provides breathtaking panoramic views, making it an ideal spot for a dream home or a serene retreat. The backdrop of lush rainforest creates a picturesque and peaceful environment, offering a haven for nature lovers and those seeking a private sanctuary. The gentle slope of the land opens up a world of architectural possibilities, allowing for innovative and imaginative design to maximize the stunning vistas and natural light. Surrounded by the soothing sounds of nature, this block of land promises an unparalleled lifestyle. Whether you're envisioning a contemporary residence with expansive decks to take in the views or a cozy cottage nestled amidst the greenery, this property is a canvas for your aspirations. The combination of elevated views, generous size, and a rainforest background makes this sloping block a rare and exceptional opportunity for anyone looking to embrace the beauty and tranquility of nature in their daily life.****
