This 7.68 hectare block (18.96 acres on the old scale) is just a 5 minute drive from Mundubbera town centre. The block has gentle undulation and some excellent home sites. There is an excellent dam with a couple of extra suitable sites to add another dam if needed. The power runs across the block and there is easy access from Benhams Road. The property is boundary fenced and great for running a couple of heads while you build your dream home.
