Lot 227 Central Road, Sugarloaf, Qld 4380

Type: Residential Land

\$210,000

Relatively flat 5 acre block with a spring influenced dam situated in the Sugarloaf (ex) forestry, only 12 minutes from Stanthorpe. Complete with a sizeable shed as well as a caravan with a lean-to extension constructed in the back corner of the property surrounded by pine forest and overlooking the rest of the property. Sugarloaf offers pure serenity, with no through traffic and an abundance of flora and fauna inhabiting the area. The current town plan doesn't allow for any residential capacity at the moment but they do approve rural sheds. To organise an inspection contact Logan Steele on 07 4681 3311.
