2 rare allotments of land, both Torrens Title with road frontage and both very close to the main CBD have become available to the market and all is prepared for your next build. Sitting on approximately 514sqm each, with water & sewer connected and the conduit for power in place, very flat so to alleviate the need of retaining walls and located in a quiet area that is well held and close to all of the town's amenities, it is one that needs little thought if you are in the hunt for a piece of dirt. Titles only weeks away and all you need now is the dream and design. Do a drive by and make that call to secure this rare opportunity.
