Located on the edge of the quiet town of Broomehill Village this property is a lovely place to build your own home and live with that semi rural vibe. Nearly 4.5 acres of land on a corner block with frontage to two sealed roads, this property is connected to the town water scheme. The property is ready to be connected to the power grid. Already on site is a colourbond shed that has a sliding door as well as a personnel door, with two rainwater tanks. A small fenced off area near the shed contains an assortment of trees including fruit trees. For more information or to organise an inspection, call Ian Hanna on 0427215076.
