1.37 HECTARES NOT PERCHED ON THE SIDE OF A HILL, TITLE REGISTERED AND READY TO BEGIN HOUSE CONSTRUCTION. Due to estate construction timing over-runs, the moment has passed for the new owners of this lovely acreage property. Their loss could be your gain. With pretty much all the desirable blocks already sold, and with what is left of Developer's stock mostly having steep building envelopes requiring substantial earthworks and retaining, Lot 51 represents possibly the best available for acreage in the Canungra region. Take a drive and see for yourself. Contact Land Sales Direct on 0412 434 323 for details. We do answer the phone or return calls.
