Just under 50 acres, located within the locality of peaceful Boyup Brook, approximately fifteen minutes drive to the town centre. Offering potential buyers gently undulating rolling hills, good grazing country, two stock dams and a winter creek- there is plenty to like and enjoy here. There are some established gum trees and outcrops of granite, and the land is mostly cleared. The land offers buyers a secluded and private lifestyle with Blackwood River views on the South Western side of the block. Call John to arrange an inspection.
