Resort Style Living Meets Retirement Dreams!

Blurring the lines between resort-style living and retirement village dreams, this charming 2-bedroom home is sweetly nestled in the safe and secure Lifestyle Chelsea Heights community, where the streets are lined with blossom trees, recreation facilities are aplenty and white picket fence porches create a welcoming ambiance.

This corner block turn-key residence presents a modest floor plan, flanked by high ceilings and a light-filled open plan living and dining area, complemented by a modern kitchen with breakfast bar, speckled stone benchtops and Westinghouse appliances. Sliding doors open to the wrap-around veranda, where there are several spaces to enjoy a cup of tea during winter or dinner on a balmy summer night.

Two spacious bedrooms are positioned to the rear of the hallway, both with mirrored sliding robes and serviced by a main bathroom, spacious study or home office, while a laundry provides access to the outdoors with a toilet neatly concealed within.

The property is well appointed with a single car remote control garage, ducted heating and split system cooling, solar panel system, garden shed, Colorbond fences, and dual blinds, giving the home a stylish yet low-maintenance appeal. Superbly positioned with downsizers or retirees in mind, close to Chelsea Beach, shopping precincts, restaurants, medical facilities and freeway access.
