Our Serviced Apartments are suitable for someone who requires help with day to day chores, allowing more time to socialise and relax and enjoy the gorgeous surrounds. You'll appreciate having the convenience of the main community centre and dining facilities just a short stroll away, providing easy access to everything you need. Don't hesitate, book now for a tour. Features include: Spacious bathroom with walk in shower Large built-in robe Kitchenette with island bench Open plan carpeted living/bedroom area leading to private terrace Reverse-cycle air conditioning North facing Strata titled Pet-friendly community All meals included Weekly cleaning & laundry service A range of social activities to partake in 24-hour vital emergency system Don't miss out! Call our friendly and helpful sales team today and organise a personal tour! Bramblewood is a boutique retirement village located in a quiet pocket of Normanhurst, 23kms north of Sydney's C.B.D. The area is characterised by leafy bushland and abundant bird life. The residents at Bramblewood own their properties outright on strata titles. We are happy to advise that the village is also pet-friendly. The lifestyle at the village is relaxing and secure. Village and garden maintenance is taken care of by professional village staff so residents have more time and freedom.
