John Strano

Premier Rural Property Near Innisfail

Total land area of 600 acres. 400 acres of cleared land is ideal for cultivation or grazing. The 200 acres of scrub offers potential for future development or conservation.

Livestock facilities include yards to accommodate up to 200 head of cattle, ensuring ample space for efficient management.

The paddock is well maintained and easily accessible. Two reliable bores provide a consistent water supply, crucial for livestock and irrigation.

Lush humidicola grass covers the property, ideal for grazing and maintaining healthy cattle.

The large shed is equipped with 3-phase power, suitable for machinery storage and workshop needs.

A spacious and comfortable 5 bedroom house offers a homely retreat with ample room for family and friends.

This property is a rare find, combining practical agricultural features with a comfortable environment. Whether you are expanding your farming operations or seeking a serene rural lifestyle, this estate has it all. Your rural dream life awaits you, just 15km south of Innisfail.

Contact John Strano today to arrange a viewing and experience firsthand the potential this property holds.
