EXPANSIVE RIVERFRONT ESTATE

Nestled amongst World Heritage Rainforest at the southern end of the Atherton Tablelands, this expansive 6-acre* property offers a rare blend of rural tranquillity and natural beauty. This versatile property is now available for purchase as a rural residential estate, providing a peaceful retreat in an idyllic setting.

The main residence is a beautifully appointed country home featuring 3 large bedrooms, each with its own ensuite, sitting room (or study), and private courtyard. There is a 4th bathroom and a breezeway separating a large rumpus or media room and a versatile games room or entry foyer.

A large kitchen connects the cozy lounge room, complete with a wood-burning fireplace, to the spacious dining and sitting room areas. This space is perfect for hosting family gatherings or entertaining guests, offering views across the expansive gardens, towering Gums, and the myriad of wildlife along The Millstream river frontage.

Detached from the main house are 4 separate cottages. Two of the cottages are set riverside, each boasting a queen-sized bedroom with full bathroom and spa, an open-plan lounge and kitchen with wood-burning fireplace, and a large deck overlooking the river.

The other two cottages are proudly positioned next to the main residence and are fully self-contained with an ensuite and kitchenette. These unique accommodations provide ample space for extended family and friends.

Located just a 10-minute drive from Ravenshoe township, 30 minutes from Atherton, and 110 km from Cairns domestic and international airports, this property offers easy access to all the wonders that Far North Queensland has to offer.

Whether you're dreaming of a serene country home or seeking a peaceful retreat, this property is a canvas ready for your vision. Don't miss this rare opportunity to own a piece of Far North Queensland's beautiful countryside.
