Introducing a truly unique and architecturally designed mud brick home, nestled on a sprawling 3.16 acre plot that serves as a haven for wildlife and a paradise for bird lovers. This exquisite property boasts a fully fenced perimeter, complete with sealed road frontage and a school bus route for ease of access. The home itself is a masterpiece, crafted with the utmost attention to detail and showcasing exposed cypress timber throughout, black wood kitchen with electric cooking, and a sunken lounge and dining room. The sunken sitting room, master bedroom with built-in robes, and small office area, along with the two additional bedrooms, provide ample space and versatility for family living. The home's brick foundation and timber windows, along with a roof lined with Oregon, offer a timeless and sturdy aesthetic, while the magnificent stained-glass feature windows and lattice work on the balustrade add character and charm. The property's landscaped garden and native bush create a tranquil environment, attracting an impressive array of over 120 different bird species, making it a bird lover's paradise. The property also serves as a haven for wildlife, providing a natural refuge for many species. With over 20,000 gallons of rainwater storage pressurized to the house, along with solar power and NBN connectivity, this home is a true testament to sustainability and modern living. Additional features include two car lock-up garage, caravan storage, fan lights, septic tank, and veranda all around the property. This is a once-in-a-lifetime opportunity to own a truly unique and stunning property, perfect for those who appreciate quality, craftsmanship, and a harmonious relationship with nature.
