Truly Unique...

Established tree farm & arboretum.

From humble beginnings 30 years ago, our vendor embarked on his quest to establish a sustainable tree farm, & what has been created is a veritable 'garden of Eden'!

Tree growing is a lengthy journey, & for any prospective new owner, this wonderful farm provides an opportunity to skip the early years & focus directly on the fun!

From an aesthetic point of view, the property is stunning. Species include Californian Redwoods, Iron Barks, Spotted Gums, Radiata Pine & many other species.

They have all been pruned & thinned on a regular basis by someone who knows what he is doing.

Wonderful position with Cathedral Range back drop.

Sealed road & rear access.

Services available.

En route to snow fields & Lake Eildon.

Access to rivers, streams, National Parks & State Forests.

Choice of home sites (STCA), 4 dams.

If you love trees, & understand their management for conservation, biodiversity, aesthetics & profit, then this is the property for you...
