Sugar Cane Farm - Mulgrave Valley - 145 Acres Farm Land

Situated on the Mulgrave River 20kms south of Gordonvale is this sugar cane farm waiting for new owners. There is currently sugar cane growing on approximately 60 acres of the total 145 acres of farm land. The balance of the land is fallow waiting to plant the next crop. Average production for the last 7 years is over 4000 tonnes with the highest yearly crop yield being 5400 tonnes. This farm offers a great opportunity for someone to wanting to get into the sugar industry or an additional farm land for expansion. Priced well below market value for quick sale. call Steve Rossi from Professionals Cairns South on 0410 600 247.
