Thompsons/Cytorna, Pingaring

For Sale/For lease

POA

Take this opportunity to secure wide-open cropping country.

The property has been grazed in 2024 and sprayed out late in preparation for the 2025 season.

"Thompson's" comprises 1,814 hectares (4,482 acres) with appropriate farming infrastructure including large enclosed machinery shed, working shearing shed and homestead, all centrally located.

This property is well set up for broad acre cropping with long run lines, a mix of easy working loams with some sand plain and gravelly duplex soil types and with reasonable nutrient levels. The property has laneway access throughout the property for operating a mixed farming enterprise. Fencing and water supplies are adequate with the property currently running sheep.

For further information please contact Ross Dunkeld 0428 105 059
