OPPORTUNITY KNOCKS AT KIN KIN

Trevor Grady of Tom Grady Real Estate is excited to be listing 53.02ha (131 acres) of Kin Kin's warmest country located in the Noosa Hinterland.

The property is situated only 5 minutes from the lovely township of Kin Kin and on a quiet no through road. This rare find will suit the family wishing for a lifestyle change with country living and a change of pace to modern day life.

The property currently runs 40 breeders with room to expand if necessary. Several sheds are used for storage and one can be used for extra accommodation when required.

The Grand Queenslander with 3 bedrooms has been positioned perfectly on the side of a gentle slope to capture the views of lush creek flats and westward to the Cooran Tablelands. The house is close to 100 years old and has been professionally restored with polished timber floors, traditional tongue and groove wall linings and traditional high ceilings. The lawns and gardens are established and shaded by mature Poincianas which give the surroundings a sense of relaxation.

Properties like this don't come on the market often and simply won't last long in today's market with these attributes and location. The vendors are motivated. Expressions of interest.

Give Trevor a call today to secure your inspection time on 0428 373 777.
