This property consists of 2 separate titles and totals 72.83 Ha (approx. 180 Acres) of Arable Land and is located between Kadina and Wallaroo. This property also borders the local airport and may be a good investment if any changes are required for flight requirements. Situated on a bitumen road with water connected. This is a great close in location for this size property. Being this size you can build a home (STCC) close to town facilities. Property Code: 9084
