The Mypolonga Broiler Farm comprises a modern, small scale broiler farming operation in South Australia's Murraylands region. The farm benefits from a Grower Contract with Gourmet Poultry, an independent poultry processing company based in South Australia. The farm comprises four sheds built from 2015 to 2018 and there is Development Approval for an additional six sheds. Currently, the total shed production area is 9,696 square meters. The property is located approximately 19 kilometres north of the regional city of Murray Bridge and less than 100 kilometres east of Adelaide. The existing facilities have been developed to a very high standard. Associated improvements comprise extensive on-site water storage, workshop, portable office, farm sheds, living quarters and well-made internal roads. Mypolonga Broiler Farm is For Sale via Expressions of Interest closing Friday 26 May at 4pm (ACST). Contact the agents for further information and to arrange an inspection.
