Charming Family Home for Contemporary Lifestyle

Showcasing the beauty of its Federation era, this charming semi-detached brick family home offers the best of Mosman living in a sought-after location. From the decorative high ceilings to the leadlight windows, this residence offers a blend of timeless style with modern glamour. The classic layout expands into the freshly updated contemporary open-plan living space featuring seamless indoor-outdoor living, exposed brick feature wall, and clean, minimalist palette. The outdoor living flows to a Balinese inspired pool and garden bathed in natural light. With an easy level walk to shops, schools, and buses, this home offers a convenient lifestyle for the modern family.
