The Skytower has been designed strategically to maximise its location, offering panoramic views over the Botanic Gardens, Brisbane River and Universities. Boasting an innovative equilateral triangle shape. Skytower use various architectural treatments and materials to blend in with Brisbane City's current character, including double-glazed, full-height windows designed to reflect the changing colour of the sky. The building has two street frontages on Margaret and Mary Streets, with a retail laneway cross-link to be developed on-site. Facilities include: - Spacious bedroom with built in wardrobes and hidden laundry room- Generous and modern kitchen with open living to the living room - Gas stove top, hide away dishwasher and oven (all essential equipment with European superior brands) - High-speed NBN ready to use- Swimming pool- Fitness center- Common BBQ- Sitting area with amazing views Don't miss this outstanding opportunity.
