Nestled in a family-friendly enclave, enveloped by the tranquility of rainforest vistas and picturesque mountain panoramas, an exciting opportunity awaits to bring your vision of a dream home to life! This prime location offers easy access to local amenities including shops, esteemed schools, childcare services, recreational venues, and public transportation. Anticipate the unveiling of Stage 4 in July/August 2024 subject to weather & council approvals. Block sizes range from 600m² to 831m². Kindly note, the lot size in the advertisement may not fully represent the final levels & usable land area. Prospective buyers are encouraged to conduct their own investigations to confirm the available land space and soil conditions. Reach out today to register your interest and seize this remarkable opportunity!
