## Residential Land For Sale

Friday, 15 March 2024

Stage 4 Rainforest Rise Estate, Edmonton, Qld 4869

Type: Residential Land

## Contact Agent

Positioned in family friendly estate with rainforest surrounds and lush mountain views, seize this opportunity and build your dream home! Located within close proximity to local shops, popular schools, childcare centers, sporting facilities and public transport. Stage 4 due to be released mid 2024 (estimate only & is subject to change). \*Please note, the advertised lot size does not necessarily indicate the flat usable land space. Prospective purchasers should make their own enquiries to verify usable land space and soil conditions. Purchasers are recommended to obtain a Survey Plan and/or Surveyors Report to ensure that the lot is suitable. Contact us today to express your interest!
