PLEASE EMAIL FOR THE QLD REAL ESTATE APPLICATION Just a stone's throw from the water in Hope Island, The Strand is the new collection of Hamptons-inspired villas. Close to the local shopping centre and Tavern. To call The Strand home is to discover a life where weekdays and weekends are equally special. Where time spent with family at home is just as precious as the hours passed on the water, or at a long, leisurely lunch with friends. Where there's really, truly, no place like home.

INSPIRED VILLA The two-storey residences dedicate the first floor to living and entertaining, featuring an open plan living, dining and kitchen area, powder room and laundry, and a spacious outdoor entertaining area, where some villas also offer a servery. Upstairs, the master suite features high ceilings, a large walk-through wardrobe and double ensuite with extra large shower. Two additional bedrooms with built-in wardrobes are accompanied by an additional bathroom, with separate toilet, and a fourth bedroom or multi-purpose room to fit your lifestyle.

Outdoors, white weatherboards are complemented by a brick feature, powder-coated aluminium frames and a pergola over the entertaining area and at the entry.

THE FINER DETAILS Luxury extends to every detail in The Strand villas. Living and kitchen areas feature light timber planks and VJ linings, with the signature Hamptons white colour scheme throughout the home. High-end appliances and tapware have been selected to add an extra element of luxury, double glazed windows throughout as well as feature tiles and wall linings in the bathrooms, and plush carpet in the bedrooms. Bathrooms feature a sophisticated colour palette with backlit mirrors, elegant vanities and a freestanding bath. Every comfort has been considered. The villas are oriented to maximise the Hope Island coastal breezes, and all homes include ducted reverse cycle air-conditioning as well as ceiling fans for added comfort.
