Market street Studio is centrally located in the heart of Woolgoolga. Head in 1 direction to the quiet Woolgoolga 'back beach' and walk in the other direction to the popular Market Street strip of cafes and restaurants. This quaint studio would suit a single person or working couple; with a queen bed, Kitchenette, bathroom, laundry and Private courtyard. The kitchen comes equipped with a microwave, kettle, toaster, small fridge, Induction cook top and a host of all your cooking essentials. Please note there is strictly only off-street parking for the unit & it is located below the main house of the property. Private access is down the pathway beside the house as shown in the advertising photos. Power and water included.
