House & Land Package - Edgecliff 190 with Classic Facade Land anticipated to register mid 2024 The Edgecliff is a stunning addition featuring a well-planned layout with open plan kitchen, family and dining spaces making effortless connections to the entire home. With multiple living areas, options of space, privacy and endless additions for functional entertaining. Situated on its own for ultimate privacy, you can truly escape in the luxurious master suite featuring a stylish walk-in robe and an elegant ensuite. Additional bedrooms are spaced towards the front of the home, each with a sense of privacy, and a separate lounge room, offering extra functional space your growing family needs. Allow yourself to imagine the lifestyle you've always wanted; in the home you deserve! The Edgecliff offers a well designed family home but can also be personalised to suit your family's needs - let's make this home your special place. Note: Minor floor plan changes may be required to meet QDC setbacks
