Sure to impress the expansive frontage of the Wishart delivers homestead style living with a contemporary open plan design. The spacious open plan living area makes the most of cross flow ventilation with a lounge, dining, family, and stylish kitchen that opens onto a covered alfresco, where you can relax and entertain year-round. The master bedroom, with its own ensuite and walk-in robe, is privately located to one side of the home, with additional bedrooms and a shared central bathroom on the other. A fourth guest room or study is conveniently positioned near the front entrance. Allow yourself to imagine the lifestyle you've always wanted; in the home you deserve! The Wishart offers individually crafted facades that will inspire you by providing a choice of homes that reflect your personal lifestyle and preferences. For optimal site use, this design is best positioned on sites with the north aspect towards the rear of the home, providing sustainable and comfortable living conditions throughout the year.
