Whether you're considering this property as your first home or as an investment opportunity, you'll discover a haven of comfort and easy upkeep. Say goodbye to mowing the lawn and extensive exterior maintenance. Inside, the home boasts efficient heating and cooling systems, with a split system in the main bedroom and living area. For added convenience during social gatherings, there's a downstairs toilet. Additionally, a European-style laundry can be discreetly closed to keep things tidy. The well-proportioned kitchen takes centre stage, providing a hub for both daily life and entertaining. The two bedrooms come complete with spacious walk-in robes, ensuring ample storage space.
