Seize this final opportunity to own Townhouse 04, an exquisite 4-bedroom, 3-bathroom, 2-car space residence designed by award-winning Hayball Architects, offering unparalleled comfort and style at Coburg Collective. Architecturally designed with a functional layout and inviting outdoor spaces, Coburg Collective has a vibrant aesthetic that celebrates modern living. The living rooms feature an open-plan design to enhance the sense of space with engineered timber flooring. Large kitchen featuring beautiful hand-crafted mosaic tiles and European kitchen appliances. Bathroom featuring hand-crafted mosaic tiles and a special mirror wall provide bold touches of interest and style. Enjoy the flexibility of two distinct color schemes – the subtle refinement of the Blanc palette or the bold richness of the Nero palette. Landscaped terraces from LBA Design feature inbuilt barbecue benches which is perfect for entertaining guests. Situated on the bustling Sydney Road, Townhouse 04 offers easy access to Coburg's finest dining, retail, parks, and recreational experiences. The location provides unbeatable access to tram, train and bike paths with routes direct to the city at your doorstep; along with quick access to both the freeway and Melbourne Airport. Monash University, RMIT, schools, parks, cafes, bars and markets are all within easy reach. Don't miss this last chance to secure the ultimate lifestyle at Coburg Collective.
