Just 20 kms from the large town of Kellerberrin is this 141 Acre well fenced property in the middle of prime farming land and right opposite the Wheat Bin of Doodlakine. There is a huge shed with high roof on the property and this has concrete floor, big sliding doors, solar power, a rain water tank, shower and toilet. This could be a great get away block with the potential to lease the land to nearby farmers or grow your own crop, trees and have some animals. Just down the road from this property is the settlement of Doodlakine where there is an excellent shop, selling grocery items, hardware and all types of farming supplies. Included in the price of the property is a New Holland TS100 tractor, a 1994 Roadstar Voyager caravan and a Sea Container, these items will not be sold separately and must be sold with the property and in as is where is condition. This is a unique property and these types of properties do not come to the market very often. Call Elders Real Estate sales specialist Kathy Savage now on 0417 965 923 for more information
