Capture your slice of superb Camberwell living at this meticulously maintained townhouse. Set in an exclusive enclave of units on a lovely, leafy street, this property suits discerning buyers at any stage of life. The single-level interior of this beautiful brick home begins in the bedroom wing that features 3 bright and generous bedrooms with built-in robes. The central corridor culminates at the inviting living areas that enjoy a seamless indoor-outdoor flow. Comprising a versatile dining area and lounge with floorboards as well as a stylish kitchen with stone benchtops, glass splashback, gas cooker, and inviting breakfast bar, there is a cohesive and comfortable feel here that invites you to make yourself at home. In warmer months, take dining outdoors to 2 unique external entertaining areas that have been lovingly landscaped to perfection. Additional highlights include a modern sleek white bathroom, guest WC, gas ducted heating, internal and external blinds, off-street parking, and solar panels for energy efficiency. This marvellous residence in the Wattle Park Primary School and Camberwell High School zone is move-in ready. Also affording easy access to Cooper Reserve, Wattle Park, Through Road shopping precinct, public transport, Camberwell Junction, Aqualink, Box Hill Central, and Deakin University, this idyllic property offers a beautifully balanced lifestyle. Plan your viewing today.
