Impressive Interior with Envious Outdoors Possessing the favourable front position in a boutique development, this renovated townhouse faces to the north and receives optimal natural sunlight across an expansive interior and oversized backyard. The living areas span a sizeable single level and are adorned with quality flooring which commences through entrance hallway that leads to open plan living and dining zones with adjoining kitchen. Featured through the kitchen are soft-closing drawers, stone benchtops, stainless steel appliances and plenty of cupboard space. The north facing living and balcony provides a peaceful setting which allows for ideal indoor/outdoor entertaining with delightful outlooks. Two generous bedrooms possess extensive robes in master with elegantly renovated bathroom and euro laundry creating further convenience. Multiple split system air conditioners are a bonus. One of many rare characteristics is the huge backyard which provides a multitude of options and has its own private entrance. Furthermore, two undercover parking spaces and separate storage room confirm the exclusivity of this sublime residence. Perfectly located in this peaceful avenue, the nearby amenities include Burwood Village and High Street shops, cafes and restaurants, Burwood Reserve, bus and tram, Gardiners Creek plus easy access to Deakin University, M1 and Chadstone shopping centre.
