Luxury Living, Premier Location

This architecturally built showpiece radiates unparalleled elegance and style at every turn. Set within a boutique complex of four and standing in a league of its very own mastery, this opulent and street facing gem has been meticulously created with an emphasis on contemporary beauty and effortless upkeep. Will make an excellent option for first homeowners, downsizers and investors who aspire superior comfort and the rewards of a five-star location.

A striking two storey façade and lushly landscaped front gardens instantly captivates on arrival.

Step inside and be met with two master sized bedrooms each adorned with luxurious ensuites and one with a spacious walk-in-robe.

Ascend the elegant timber staircase to where a bright and airy living, meals and kitchen domain stands proudly perched to command attention. The lavish kitchen is a standout featuring electric cooking facilities with integrated dishwasher, chic cabinetry and a gorgeous stone breakfast bar for lively mealtime connection. Effortlessly slide open floor to ceiling glass doors for access to a wraparound balcony with views.

Key highlights include chic powder room, two deluxe ensuites, split system heating and cooling, contemporary light fittings and window furnishings and a remote-control single car garage with internal access and customised laundry facilities.

The enviably location places you metres from the heart of Miller Street Village with a myriad of boutique shopping, amazing brews and delicious dining, doorstep CBD bound tram lines, Preston Market, zoned for Bell Primary School and Coburg High School.

Move straight in, turn everything on and start living your dream in a stellar location that has it all.
