Freshly painted 3-bedroom townhouse in the heart of the Gisborne town centre and within easy walking distance to all the town has to offer including shopping, cafes, restaurants, parks and recreation facilities, offering comfort and convenience rarely seen. The three generously sized bedrooms are designed with privacy and practicality, with the main bedroom located at the front, featuring an ensuite and walk in robe, while a central bathroom and separate toilet cater for the other two bedrooms located at the rear of the home. The open plan dining and lounge are basked in an abundance of natural light while the generous kitchen ensures plenty of cupboard space equipped with a pantry, dishwasher & electric cooking facilities. Split system heating and cooling and internal access from the remote double garage add a layer of ease and comfort. A neat private courtyard space completes the picture.
