An exceptional easy care, lock up and go spacious townhouse, cleverly crafted and rebuilt by a local innovative builder. It really is so warm and inviting with superb detailing and design elements. The insulated three-bedroom weatherboard presents a perfect haven from day-to-day bustle. Privately positioned behind a secure fence, one is able to fully unwind while enjoying the comfortable and smart layout within. The townhouse is very spacious, it offers open plan living/ dining and kitchen which makes entertaining a breeze, especially with the option of an alfresco courtyard just off the kitchen, perfect for a summer BBQ. The kitchen boasts stone bench tops, soft close cabinetry, a walk-in pantry, a dishwasher and gas/ electric cooking. The three bedrooms are all generous and adorned with excellent built in storage, the main bedroom has a striking ensuite with exquisite tiling, cabinetry and walk in shower. The consecutive bedrooms share a beautifully detailed bathroom with feature tiling, double vanity, a standalone bathtub and a large walk-in shower. Seasonal comforts include ducted R/C heating and cooling, double glazing to lounge windows and ceiling fans. Enjoy the beauty of the strategically landscaped outdoors, with a neat garden shed for storage and off-street parking, this really is a must see for those seeking a quality downsizer.
