Desirably positioned between peaceful Kananook Creek and the pristine sands of magnificent Seaford beach, this is the ultimate lifestyle opportunity - and one that is now ready for its next lucky custodian. Tucked at the rear of a quiet group with the creek and its tranquil surroundings creating an idyllic backdrop to daily living, the two-storey townhouse has been primed for immediate enjoyment. Freshly painted walls and plush new carpeting mean you can move straight in without having to do a thing. Accommodation highlights include a welcoming lounge, relaxed meals area with serene water and bushland views plus a bright kitchen complete with dishwasher, gas cooktop and handy breakfast bar. All three robed bedrooms are peacefully positioned upstairs, away from the home's social hub. The master has the luxury of its own ensuite while the remaining bedrooms share a central, sparkling bathroom. Other standout features include a ground-floor guest powder room, ducted vacuum, split system heating/cooling, ceiling fans, video intercom and large laundry with access to the auto garage. Private and secure, the landscaped and easy-to-maintain courtyard is an idyllic space to relax or entertain. Just moments to Frankston's retail and business precinct and well-served by bus routes, the home is close to Kananook Primary School and benefits from easy access to freeways for a direct workday commute or effortless weekend getaway.
