\$1300 Per Week

Embrace bayside sophistication and modern convenience in this stunning Wood Marsh-designed townhouse. Nestled privately and securely at the rear of a unique development, this four-level haven puts the best of bayside living at your fingertips. Step inside your oasis and discover a double garage with polished concrete floors on the ground floor. This flexible space can be your home office, studio, gym, or even an additional bedroom with an ensuite – perfect for accommodating guests. Ascend to the first floor and be captivated by the light-filled living and dining areas adorned with floor-to-ceiling windows. The central kitchen, a chef's dream, boasts Gaggenau appliances, sleek stone benchtops, and ample cabinetry to satisfy all your culinary desires. Unwind in the luxurious master suite on the second floor, featuring extensive built-in robes and a spa-like ensuite for ultimate relaxation. A second bedroom with built-in robes and a central bathroom complete this floor, offering comfortable accommodation for you and loved ones. Secluded on the top floor, a private rooftop terrace awaits. This perfect escape boasts stunning bay views, ideal for savoring your morning coffee or enjoying evening drinks under the stars. This modern townhouse offers more than just style; it prioritizes your comfort. Mitsubishi zoned heating and cooling ensures a perfect temperature year-round, while a security system and remote entry provide ultimate peace of mind. The conveniently located laundry on the ground floor adds to the effortless, low-maintenance living this property offers. The prime bayside location is another highlight. You'll be moments away from Brighton's vibrant shopping scene, renowned dining options, and top-rated schools. Direct access to Brighton Beach and convenient public transport options ensure you're always connected. **If this property is of interest to you, please ensure that you register your interest by clicking on the 'Get in touch' button, so that you are kept up to date with inspections, price changes and similar properties that may be suitable.
