Parklife presents the most exclusive townhome, the A1 type at the end of the row combines the high-quality build that is signature to all Goldfield Group developments and the extravagant size of this home, its key feature having spacious 4 bedrooms + study nook and enjoys a classic living opening to a court yard and terrace downstairs, while having extra land and side yard to appreciate more space for the family.

Parklife is a beautiful cluster of townhouses in Doveton on the edge of the Dandenong CBD, one of Melbourne's growing suburban hubs. Just minutes from the local train station by car, bus, or bicycle, and with easy access to major roads, the superb location connects you to city life while keeping you surrounded by open space.

Between you and the town centre, expansive parks meandering alongside Dandenong Creek form a green buffer where you can escape the daily grind and enjoy a stroll, take the dog out for a run, or kick a ball around with the kids.

Parklife is all about room to move and the freedom and opportunity to grow with the local area. Plant the seeds of your future here, and watch them flourish
