If you're looking for a home in a premier area that is walking distance to a shopping centre, schools, parks and public transport, well look no further, here it is. You can't go wrong with this beautifully renovated 3-bedroom townhouse, which is well located. The owner has upgraded many items in a tasteful & modern way, including the fabulous kitchen. This boasts lots of cupboard & bench space, including pantry & pot drawers. Stainless steel appliances include an electric under bench oven, gas hot plates, range hood & dishwasher. Downstairs has a large open plan living area with floating floors & access to a private rear yard. Upstairs you will find 3 bedrooms, all with built in robes, the family bathroom & separate toilet, plus European laundry. There is ducted heating throughout & split systems to both upstairs & downstairs. It's just a quick walk to Park hill Plaza shopping centre, Timbarra P-9 school, a huge landscaped park, & bus. Freeway access & Westfield Fountain Gate are just a short drive .
