Discover the perfect blend of comfort and convenience in this spacious townhouse, the largest in the complex. Nestled in a vibrant and welcoming community, this wonderful home features three generous bedrooms, one full bathroom, and two additional toilets for ultimate convenience. The home office has external access to the rear courtyard whilst the remote controlled single garage boasts an epoxy floor and a dedicated laundry. There is a workshop complemented by two additional sheds for ample storage. Eco-conscious buyers will appreciate the installed solar panels, ensuring energy efficiency and savings. Enjoy outdoor living with two delightful courtyards; one is a children's paradise with a playground accessible directly from the lounge room, while the other offers a serene retreat for relaxation with an orange tree that produces an abundance of fruit. The bathroom is thoughtfully designed with a separate shower, providing both functionality and style. Additional perks include a second car space on the title and access to the communal inground pool, perfect for leisurely afternoons. This townhouse is more than just a home; it's a lifestyle upgrade. Don't miss the opportunity to make it yours today!
