This townhouse offers a blend of convenience and practicality. Located at the end of a quiet cul-de-sac, it boasts a split-level design that maximizes space and functionality. Upstairs, you'll find generously sized bedrooms and a bathroom, ensuring comfort and privacy. Downstairs, all the living areas are neatly arranged, promoting a seamless flow throughout the home. One of its standout features is the additional bonus of a second designated car space, making it the sole property in this intimate complex to offer this convenience. This extra parking space is a rare find and enhances the practicality of the property significantly. FEATURES INCLUDE:

- 2 bedrooms with built-in robes and new ceiling fans
- Main bedroom featuring its own private balcony and study nook
- Large bathroom upstairs
- Second toilet downstairs which offers convenience
- Open living and lounge area
- Under stair storage
- Good sized kitchen with electronic appliances
- Laundry facilities off kitchen
- Paved rear courtyard area
- Lock-up garage
- 2nd designated car space
- Close to public transport and M1 access

In summary, this townhouse represents low maintenance living at its finest, ideal for those seeking a comfortable and accessible home in a peaceful setting.
