Everything impresses in this cleverly designed three bedroom, two bathroom townhouse, situated in a quiet well-established area where all essentials are within easy reach. Architecturally stunning, with butterfly roof, clerestory windows, plantation shutters and polished floors, an abundance of natural light complements the spacious interiors and refined finishes. A large stone island bench, glass splashbacks, soft close cabinetry, breakfast bar and premium Bosch appliances including a five burner gas cooktop, are exciting features of the dream kitchen. The adjoining lounge/dining opens through wide stacker doors to a private courtyard, perfect for entertaining. A stylish ensuite, fitted walk-in robe and sunny balcony are highlights of the good-sized master bedroom while the other deluxe bedrooms feature built-in robes and are serviced by an ultramodern bathroom. A single garage, powder room, zoned heating/cooling, ducted vacuum, masses of storage, laundry chute and extra off-street parking add to the comfort of this appealing home close to shops, reserves, transport, freeways and within the Strathmore College zone.
