Complex of four boutique townhouses, is the stylish new addition to the Caroline Bay side of East Gosford. These townhouses are built for family life and entertaining. The open plan design, raked ceilings and neutral colour palette, give a sense of space to each home, along with abundant natural light. The North/West facing balcony extends the upstairs living area and is perfect for alfresco dining. Fitted with quality European appliances and stone benchtops, the contemporary kitchen has plenty of storage space. The three carpeted bedrooms have built-in robes, there is dual access to the ensuite, a private balcony off the master bedroom, and there is also access to the garden from one of the downstairs bedrooms. Accommodation for two cars is provided, with a single secure garage that has internal access and additional storage space, and a covered car space immediately in front of the garage door. With energy efficient LED light fittings throughout, air conditioning and quality inclusions. The complex is only a short, relatively level stroll from the shops and café culture of the vibrant East Gosford village, with its public transport options and medical centres.
