Contemporary comfort and convenient access to amenities are the cornerstones of this superb townhouse's success. An achievement in easy-care stylish design executed to perfection, you can settle in and make yourself at home here effortlessly. Presented like new and ready to move in now, with quality finishes throughout including double glazed windows, porcelain tiling and nestled only steps from wetland bird watching reserve with connection to bayside bicycle trail.This enticing residence near Westona Station and Harrington Square Shops, Kooringal Golf Course, Doug Grant Reserve, Altona Beach, Pier Street, and Altona College is a spacious and stylish addition to any property portfolio. The exterior with large single garage with in-house access and striking timber decked portico sets the scene for the quality to expect inside.On the entry level, open plan living serves as the hub of the home. The seamless lounge, dining area, and kitchen with stone benchtops, breakfast bar, gas cooktop, and glass splashback steps to the manageable courtyard for a relaxing indoor-outdoor flow. Also on this level, an appreciated guest powder room and family-size laundry with garage access are clever inclusions that will add further ease to everyday life. Plus an additional car-space on title.On the bright upper level, the versatile open plan study/retreat branches to 3 beautiful bedrooms. The main bedroom is ideally enhanced with an enviable walk-in robe and stylish ensuite. The shared family bathroom is meticulously finished with crisp white tiles, a floating vanity, and a relaxing soaking tub.This elevated townhouse offers an exceptional spacious lifestyle within easy reach of amenities. Guaranteed to make a lasting impression, prompt inspection is advised. Join us for a tour today.
