Intuitive Design for Modern Life.

Street-fronted and designed for easy, low maintenance living, these three brand new homes, set facing Paris Road, are the perfect choice for buyers wanting lock-up-and-leave convenience, brilliant for busy professionals, young families, investors and empty nesters. Ground floors offer combined living and dining spaces with hybrid flooring throughout, overlooked by fully equipped stone-topped kitchens flowing to private, west-facing courtyards. Euro laundries and powder rooms complete the ground floor offering along with remote-entry lock up garages with internal access to the homes. Three bedrooms are set peacefully upstairs alongside the main bathrooms with a shower-over-bathtub configurations. Split system heating and cooling throughout and more that your inspection will uncover make these home the perfect package. Set walking distance from Meadows Primary, St Dominics Primary, Sirius College and Seabrook Reserve, and moments from public transport connecting to Broadmeadows central shopping, dining, amenities, with easy access to major arterials making commuting simple.
