Celebrating modern style with streamlined spaces and a sunlit design, this executive residence sits at the rear and relishes a flowing layout that's spacious and perfectly suited to couples, young families and investors. Detailed with bamboo floorboards, the open plan living, dining and kitchen conveys a contemporary tone with stone benches and breakfast bench. Opening out to the north, sliding doors extend out to the large courtyard that's ideal for outdoor activities and a generous lawn space where ballgames are bound to be enjoyed. Upstairs, the two robed bedrooms fitted with a semi-ensuite bathroom. In addition to this, you'll find a separate second toilet, laundry, ducted heating, evaporative cooling, excellent storage, garden shed, plus a garage with internal access. Set only footsteps from Albany Rise Primary, near Wellington Secondary, Waverley Gardens Shopping Centre, Whitehaven Reserve, playgrounds, buses plus Monash and EastLink Freeways.
