Offering a down stairs master bedroom with a high quality build.

Showcasing a smart design that clearly caters for the modern way of life, this stylish townhouse provides family dimensions and delivers the perfect layout with northerly sunshine beaming into the open plan domain.

Resting mid-way back in an alluring group of three, the residence is ready to impress with its entry opening onto a fabulous study area that's set beyond timber paneled screening and includes built-in desk.

The open plan living, dining and kitchen is big on space and embraces waterfall stone benches, stainless steel appliances (gas stove, oven and dishwasher), soft close cabinetry, an island breakfast bench plus a walk-in pantry.

Bringing the outside in, stacker sliding doors offer a fluid transition out onto the north-facing alfresco zone and courtyard that's complete with a lawn area.

On the ground floor, you'll be pleased to find the master bedroom with walk-in-robe and dual vanity ensuite, while the upper level boasts a retreat and three further bedrooms, all with built-in-robos and serviced by a family bathroom with toilet.

Notable extras include a powder room, laundry, split system heating/air conditioning, high ceilings, LED downlights, water tank plus a double garage with internal access.

Completing the picture is its outstanding location, close to Knox Park Primary, Scoresby Secondary, St Andrews College, Egan Lee Reserve, Lakewood Reserve, Westfield Knox Shopping Centre, buses and EastLink.
