Size and Location: The Perfect Combination!

If you've been searching for a home in a prime location that's still tucked away from the hustle and bustle of city life, this townhouse is perfect for you.

My owners have loved living here, but with an interstate move on the horizon - this townhouse is ready for it's next owner!

The current owners chose this home for its large internal space and flexible layout. With four kids, they converted the second lounge into a fourth bedroom so everyone had room. They loved the oval behind the home, where the kids could play while they watched from the living room. The natural light and industrial-style floors were standout features compared to other properties they saw.

All the hard work has been done for you and it's move-in ready. The owners who have updated both bathrooms, repainted throughout, and modernised the kitchen with new appliances, dishwasher, a new rangehood and modern matte black finishes. A new split system was installed upstairs less than a year ago for extra comfort.

Located on the edge of a quiet complex, this spacious 151sqm home offers three bedrooms, two-and-a-half bathrooms, and TWO living areas. The converted garage provides additional living space, but it can easily be returned to a lock-up garage with internal access. The private courtyard, which backs onto playing fields, is perfect for relaxing or entertaining.

Upstairs, the master bedroom has stunning reserve views, a walk-in robe, and an ensuite. Two other large bedrooms have built-in robes and share a central bathroom. A second living area opens to a north-facing balcony, perfect for soaking up the sun.

Additional features include 2x split system air conditioning, an intercom system, and a ducted vacuum. The home is conveniently located just 290m from Kippax Fair and close to schools, playgrounds, and ovals, with Westfield Belconnen just 15 minutes away.
