**BRISBANE - Less than 25 Kilometers!**

**Home or investment buyers... WOW**

Less than 2.5 kilometers to the highway and less than 24 kilometers from BRISBANE. WOW! Rented at \$420.00 per week with lease until January 2025. The location (experiences low vacancy rates) due to many reasons.

This townhouse features 3 good sized bedrooms, open plan living area, lock-up car accommodation and in-ground pool. The townhouse is on the second level and can do with a little bit of TLC and this is well considered in the price.

The quiet complex is located within walking distance to high and primary schools, Woolworth's, Kmart and Cole's shopping centers, doctors and other health providers and plenty public transport options.
