Boutique townhouse with enviable outlook

Irresistible city living is offered by this brilliant two-bedroom contemporary warehouse-style townhouse in a boutique block of five.

Moments from the café culture and restaurants of Errol Street, and a short walk from Queen Victoria Market and CBD, this location is spectacular and with a rooftop terrace, the views are unrivalled.

Sprawling across three levels, this townhouse is low maintenance with a well-zoned floor plan. Entering from a lush garden, the ground floor offers a small study nook and private garage with direct entry. The second level hosts both bedrooms, each with built-in storage and serviced by a sleek bathroom and laundry. The third floor hosts an expansive living and dining space with a modern kitchen featuring Smeg appliances and waterfall stone benchtops. Further, a spiral staircase on the balcony leads you to a private rooftop balcony with stunning 360-degree vistas over the city.

Secure video intercom, timber floors, split system air-conditioning, and dishwasher are further inclusions.

In this quiet and private position, you can leave the car home with easy access to the CBD, Flagstaff Gardens and many public transport options.
